*Provide the name and Contact Email for all Partnering Organizations.*

### Contact Person

*Provide information for the Point of Contact for this proposal.*

Name

Title

Email

Phone

## Project Information

### Project Overview:

*Provide a succinct and relevant summary that can be easily understood and clearly communicate the importance of the project. This summary should include project background, location, community need for the project, high level goals, and partnerships.*

*Maximum 1000 Characters*

**Goals and Objectives:**

*Describe what you plan to accomplish. Goals and objectives should be explicitly explained and linked to the specific grant category. Objectives should be realistic, measurable and attainable within the contract period.*

*Maximum 2000 Characters*

**Proposed Activities:**

*Clearly describe with specificity, activities to be completed with grant funds and leveraged resources. Clearly describe the match fund sources and what their uses will be. Provide a draft of the position description for the Municipal Forester position.*

*Maximum 2500 Characters*

**Deliverables, Timelines, Outputs, Outcomes:**

*Describe the timeline for this project in detail. Clearly lay out deliverables and outcomes and describe how the selected objectives will lead to measurable outcomes and how the applicant will measure progress towards those outcomes.*

- *What is the benefit to the community and/or state?*
- *What need or issue will it solve?*
- *How visible will it be to the community?*
- *What is the public relations impact and how will it increase public awareness?*
- *Will the program or project continue after the grant expires?*
- *Outline the proposed Timeline for this project.*

*Maximum 2000 Characters*

**Sustainability of Outcomes:**

*Describe how the project results in outcomes that extend beyond the life of the project itself. Outline a plan for management that will ensure the success of the project long-term. Provide rationale for why dollars invested will sustain project outcomes into the future beyond project end date.*

*Maximum 1250 Characters*

**Community Need:**

*Project supports Executive Order 13985, Advancing Racial Equity and Support for Underserved Communities Through the Federal Government, the Forest Service’s Equity Action Plan, and the Texas Forest Action Plan. The project should include the following elements: A description of the benefiting community or recipient. For example, a description could include demographics, such as race or socioeconomic status; or vulnerabilities such as health, economic, environmental, and climate impacts faced by the community. Data or evidence should support the proposal. Applicants may consider utilizing the national tools and datasets listed below or provide more localized knowledge such as tribal, local, or state data, to describe the populations and conditions that the project proposes to benefit. A description of how the project benefits or engages underserved communities or people. Benefits may be social, ecological, or economic and should include:*

- An overview of the targeted community and partners engaged in the project; and how they will be impacted by the project.*
- Quantitative and qualitative description of how communities will be engaged to participate in/benefit from the project.*

*Maximum 2000 Characters*

**Budget**

**Amount of Funds Requested:**

*This grant will provide \$100,000 phased over 3 years as follows:*

Year 1: \$50,000      Year 2: \$25,000      Year 3: \$25,000

\$100,000 is equal to the **Total Federal \$**.

This grant category requires a dollar for dollar match (1:1 match). Your **Total Local \$** must be greater than or equal to the **Total Federal \$**.

Add **Total Local Cash \$** + **Total Local In-Kind \$** to calculate **Total Local \$**

	Federal \$	Local Cash \$	Local In-Kind \$	Total \$
Personnel				
Fringe				
Other				
Totals				
	<b>Total Local \$:</b>			

*Clearly describe how the amount in the category will be used. Maximum 1000 characters.*
